JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

ful nature, we have entered more at length into the subject. We think a check to the current of popular feeling, may at times be necessary to produce deeper reflection, and prevent the heedlessness attending a want of ex-

amination. It is a good maxim that a man should be religious, but not superstitious, and we think the general tendency of this book may lead to the bewildering labyrinths of superstition.
